23:30	SILENCE	SILENCE	

DURING THE TIME SLOTS IN COLOR GRAY, SCHOOL TEACHERS ARE IN CHARGE OF THE GROUP

Brief explanation of activities

Introduction of the topic: Castor is a beaver, the national animal of Canada. He is sad, because he lives in the forest that has lots of rubbish and pollution because the people that live close to him home don't seem to care about him or any of the other wildlife that depend on nature to survive. He wants your help! The students are going to learn about nature and how important it is to look after the environment while we still can, all in the amazing background of Canada the second largest country in the world!

Reduce, Reuse, Recycling Games: The students are going to complete different station activities with the monitors. Keeping the theme of helping the environment, the games aim to be fun, but also educational.

Arts & Crafts.- Making Inuit's: What is an Inuit? They are the native people of Canada, the students will spend some time with their monitor learning about inuit culture then using arts and crafts material they will get to make their own Inuit to take home!

Night Game.- Let's clean the forest: Oh no! The forest is a mess! There have been lots of visitors recently to the forest, but they haven't taken their rubbish with them! The students will have to go and explore the forest to collect different 'rubbish' cards. Different cards are worth different amounts of points! So take your flashlights and whichever team gets the most points at the end will be the winners!

Trekking: The students will go and explore the surrounding areas, play games, sing songs, interacting and speaking in English with the monitors.

Outdoor Games: The students get to play some well-known and some unknown outdoor games, interacting with their friends and the English monitors.

Arts & Crafts.- Canada Day Crafts: Canada Day is Canada's national holiday; the students get to make different crafts to help them celebrate this day! They can bring what they make to the Canada Day party in the evening!

Beaver Dam: The beaver is the national animal of Canada. The students are going to learn about the beaver and its habitats. Then using material from the nature outside the students are going to create a beaver dam (or little house) for their team! – So it will have to be big enough to fit the whole team! The best dam will win points!

Canada Day Party: Everyone wear your best Canada day outfit and let's dance the night away with Castor the Beaver.

Race around Canada's famous landmarks: The students are going to complete different Canada related games and activities, that will take place at different famous places in Canada!

Treasure Hunt: A well-known activity but with a Canadian twist.

PRECIO POR ALUMNO.- 155,00 €

EL PRECIO INCLUYE

- UN/A PROFESSOR/A INVITADO/DA POR CADA 20 ALUMNOS DE PAGO. **EL PROFESORADO QUE NO ENTRE EN GRATUIDAD: 35,00 € x NOCHE**
